MEDIA GUIDE
Visible Marketing Made Easy
Forklift International

- is the most recommended online marketplace for forklift trucks and material handling equipment

- reaches worldwide 1.5 million visitors per year from the material handling industry

- guarantees international visibility, with 15 languages currently supported

- offers direct cross-media possibilities to communicate with your targeted audience and generate new sales leads

- helps strengthen your image and brand recognition due to a high visitor frequency
The platform for an effective presentation of your products, services and strengths.

A limited amount of large promotion spaces offers maximum visibility, in desktop as well as in mobile views. Your message is able to impress your target audience.

High coverage, a precise selection and address of the targeted audience - the most efficient combination.
Image and Branding
